

# CALL WAITING DELUXE

*Call Waiting Deluxe is designed especially for your Home Receptionist® phone. Like regular Call Waiting, Call Waiting Deluxe lets you take a second call without ending your first conversation. Plus, Call Waiting Deluxe gives you several additional options with your Qwest Home Receptionist phone.*

## HOW TO USE CALL WAITING DELUXE

When you hear the Call Waiting Deluxe tone (it will sound slightly different from the regular Call Waiting tone), you will be able to see the name and number of the incoming caller.\*

With one touch, unique onscreen features give you several options for handling your waiting callers.

## WITH CALL WAITING DELUXE, YOU CAN:

- Identify your incoming calls.
- Invite a new caller to join an existing call.
- Send a message to the new caller to please hold.
- Switch the new call to your Qwest Voice Mail service.\*\*

***To activate all of your Home Receptionist services, you must call 1 800-332-3487 from your Home Receptionist phone. Please refer to the instructions included with the phone for further details.***

\* Must also select a Caller ID feature to enjoy full functionality of this feature.

\*\* Must subscribe to Qwest Voice Mail service for this option.
